DATE: Thursday, July 20, 2017
4:00 PM SGT (8:00 AM GMT)

SPEAKER: **Dr. Tin Maung Aye**
Myanmar Market Development Advisor
Southeast Asia Program

TOPIC: **Agricultural Opportunities in Myanmar**

Dr. Aye will be presenting on agricultural opportunities in Myanmar. Myanmar has the unique natural and human resources needed to support sustained production of a wide range of agricultural products. Currently, Myanmar's agricultural productivity is the lowest amongst

its ASEAN peers. This low productivity provides ample opportunity for producers, traders and others within the agricultural industry to vastly improve their research and development efforts to support Myanmar's growth.
